

# **EPOCH<sup>®</sup> ENERGY TECHNOLOGY CORP**

**The KEY to Unlock Nature's Energy<sup>®</sup>**

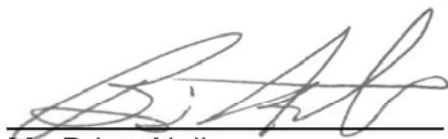

## **STATEMENT REGARDING LOSS OF LIFE & INJURY**

Epoch Energy Technology Corporation (EPOCH) based in Taiwan (R.O.C.), a company registered under Taiwan corporate law at No. 3 Bengong 5<sup>th</sup> Road, Benchou Environmental Science and Technology Park, Gangshan Township, Kaohsiung County, 82059 Taiwan (R.O.C.), and having the unified registration number 12882675, herewith confirms the following:

Since its inception in 1994, no loss of life or serious injury has ever occurred as a result of using products manufactured by Epoch Energy Technology Corp.

In addition, no insurance claim has been generated regarding loss of life or injury caused by the use of our products.

Epoch's Oxy-Hydrogen Generators utilize multiple safety devices including water bubblers with pressure relief valves; flashback arrestors; gas leak, temperature, pressure and water level sensors that are designed to trigger automatic shutdown of oxy-hydrogen gas production.

Mr. Brian Aiello

Vice President of Epoch Energy Technology Corporation
